

"DRC Conflict-Free" Declaration

Dear valued customer,

W+P PRODUCTS GmbH takes the worldwide concerns about feeding metals mined in conflict areas of the Democratic Republic of Congo (DRC) into the electronics supply chain very seriously. W+P PRODUCTS GmbH herein declares that products supplied to your company are free of DRC Conflict Minerals.

W+P PRODUCTS is taking and will take due diligence within our supply chain to assure "DRC Conflict-Free" for the metal of gold (Au), tantalum (Ta), tungsten (W), cobalt / Co) and tin (Sn) are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC) or illegal taxed on trade routes, either of which are controlled by non-government military groups, or unlawful military factions.

Trade routes not confirmed to be "conflict-free" include direct exports from DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of whom the U.N. Security Council note are global export routes for DRC-mined minerals).

Best regards
