**Long Term supplier declaration**

Dear Sir or Madam,

due to different production locations we can not create a long term supplier declaration anymore.

You will find the Country of Origin and the customs-tariff-number for each of your ordered parts on our Invoice. In general no cumulation applied. Our products do not underlie to an Export Authorisation / Export licence.

In this way we grant the customs request of an up-to-date proof of the Origin our products.

Thanks for your understanding.

With best regards

W+P Products GmbH  
Daimlerstr. 29-33
