PFAS Declaration of Conformity

Dear Sir/Madam,

We hereby confirm that all connectors and cable assemblies supplied by W+P PRODUCTS GmbH comply with the current PFAS Directive of the (EU) in its currently valid version and its current annexes.

The previously relevant PFAS substances are listed in the current REACH-SVHC and in the POP Stockholm Annexes. Further PFAS substances are listed in the US-TSCA.

We can confirm that our products do not contain any PFAS (Per- and Polyfluoroalkyl Substances) listed under the above-mentioned regulations.

We are currently unable to provide confirmation for any other potentially existing individual PFAS lists.

Our REACH, POP, and TSCA statements can be found on our website:
<https://wppro.com/downloads>.

This applies to all our products and packaging materials.

Should any of our articles not comply with one of the prohibitions/restrictions, we will inform you which articles are affected.

We will inform you of any changes/modifications to our articles that could affect compliance with the PFAS requirements.

Sincerely,

Peter Schneider

Leiter Qualitätssicherung
