**Declaration of Conformity
in accordance with Regulation (EU) 2025/40 (Packaging and Packaging Waste Regulation – PPWR)**

W+P PRODUCTS GmbH hereby confirms that the paper- and plastic-based outer and transport packaging supplied by us, as it is identified with a W+P product label, has been subjected to a conformity assessment and complies, at the time of this Declaration of Conformity, with the applicable requirements of Regulation (EU) 2025/40 (Packaging and Packaging Waste Regulation – PPWR).

The conformity assessment is based on our technical documentation as well as the conformity evidence provided by our suppliers. The technical documentation is retained in accordance with the applicable legal requirements and will be made available to the competent authorities upon request.

Where applicable to the respective packaging, the conformity assessment includes, in particular, the following requirements:

Substance restrictions in accordance with Article 5 of the PPWR;
Compliance with the requirements of Regulation (EC) No. 1907/2006 (REACH);
Fulfilment of the information obligations pursuant to Article 33 of REACH.

This Declaration of Conformity serves as evidence of the conformity assessment carried out by W+P PRODUCTS GmbH.

It applies exclusively to the packaging supplied by W+P PRODUCTS GmbH in the condition in which it is delivered. Any modifications or further processing carried out by the customer may affect conformity and are outside the scope of our responsibility.

This declaration is based on the legal requirements and the technical and regulatory information available at the time of its issuance.

Changes to the applicable legal requirements may necessitate an update of this Declaration of Conformity.
